

Tax & Fee Administration
Solutions

HdL Companies

Tax and Fee Administration is **HARD**

Revenue Sources

Diverse programs, each with their own rules, exemptions, fee schedules, and filing cycles; and scarce resources to effectively administer them.

Administration

Non-stop cyclical process including registrations, approvals, returns, payments, taxpayer inquiries, and public records requests. Every day poses a new challenge.

Compliance

A difficult balance of education and enforcement including discovery, audits, collections, and complaints. Another day, another headache.

Management

Data analytics, revenue forecasts, legislative and industry monitoring, municipal code and tax structure modernization. Too many needs, too little time.

HdL's revenue management solutions can help.

If you
collect it,
HdL can
administer it.
